There are some older ones, not sure what the companies are up to in that area.

These were sold in 2007

2005:

Dianne could give you a contact at ADNR Oil & Gas to get a sense of what is going on in that area. I imagine we might even have a NPDES GP for exploration drilling discharges. ??

Thanks Tami. I also looked on line and found a description of the lease sale. Evidently it got no

response.
